Dear Attn: Donations Dept.,

Our 5th Annual Women Against Luncheon held on November 14, 2008 at the Westmount Country Club was a huge sensation. More than 250 people attended and the chapter rose over \$60,000 from sponsorships, donations, auction, raffle and ad journal.

Your donation will support the Chapter's local programs and services, as well as the national research effort to find a cure for multiple sclerosis. The proceeds from this event will help over 11,000 people with MS and their families that the Chapter serves in fourteen northern and central NJ counties.

From all of us at the New Jersey Metro Chapter, thank you. We look forward to your continued participation on future events. Multiple sclerosis is a devastating disease. It is through contributions from corporations, individuals and volunteers that are making the difference in the lives of those who we serve.

We are in receipt of your donation of \$300. 100% of this donation is tax deductible as a charitable contribution.

The New Jersey Metro Chapter of the National MS Society provides over 100 programs and services. Your continued support will assure that these programs continue. Thank you for your help in making a difference in the lives of people with MS.

Sincerely,

Nancy Bager
